### **Sewing Machine Maintenance and Tips and Techniques**

*With Rita*

**\$10**

**Monday: June 2**

**6:00 p.m. - 8:00 p.m.**

There’s a lot to learn to keep your sewing machine happy and healthy! Did you know that lint from sewing can become “felted” in your machine’s feed-dogs, preventing them from moving your fabric when sewing? Did you know that lint felted under the bobbin case can lock up your machine and even burn it out? Do you have problems with stitches being too loose or too tight and do you know how to adjust tension on your machine? When was the last time you changed the needle? Does your machine need

oiling? *Bring your sewing machine and user manual and learn how to keep your machine in good working order. (If you don’t have the manual for your machine, send an email to quilts@buddingstarquilts.com, providing the make and model number, and we’ll do some research for you.)*

### **Storm at Sea - *NEW***

*With Rita*

**\$40 + supplies**

**Sunday: June 22 (bonus class: Thursday, July 24)**

**11:00 a.m. - 4:00 p.m.**

A Storm at Sea quilt made almost entirely without templates. Yes, by cutting strips first and then subcutting (without templates), you can make a Storm at Sea quilt using only ONE template to trim one of the block’s pieces. The Storm at Sea block can be set in many different ways and the quilt can be made in many different sizes just by altering the number of blocks. This is an original pattern which you will receive in class. See the Supply List for sample layouts for this wonderful traditional quilt. **BONUS CLASS ADDED:** *Come back on July 24 from 11 to 4 if you want to continue sewing or if you need additional help.*

Pick up/ print out a supply sheet so you can be ready for class with at least some strips and batting cut. Pattern required (though I have modified it for our class purposes): ‘Strippy Rag’ by Quilt Country

In Session 1 (no sewing machine required), you will organize and cut your tee-shirts and learn how to stabilize them with fusible stabilizer. We will review a number of different layout options. In Session 2, you will sew the quilt top (sewing machine required).
